

*****Membership Promo*****

Over the past few years the club has only offered one event a year, the annual July horse show. The membership for the club started on the day of the show and extended to the following June 30. If the club is going to hold more events per year, the membership needs to run from January thru December to include fall events.

The problem is how to make it fair for the current members who paid yearly dues in July 09. SO...we are offering all current members a bonus of their 2009 membership to be extended to December 2010.... if you can get a new or previous member to join before March 1, 2010.

The membership in 2010 will run from January to December. You do not need to own a FQHR horse or purchase membership in the FQHR to compete in our All-Breed divisions. All of our events in 2010 will include an All-Breed division.
